

# CURRICULUM VITAE

## Yifan Liu TCMD, Ph. D., L. Ac.

American Academy of Acupuncture and Oriental Medicine (AAAOM)

1925 West County Road B-2 Roseville, MN, USA 55113

Cell#: (651)675-9573

– [yifanliu01@yahoo.com](mailto:yifanliu01@yahoo.com)

### ACADEMIC BACKGROUND

**Post-doctorate of TCM** (School of Medical Science, SDUTCM; 1999-2001)

**Doctorate Degree of Medicine** (Tianjin University of TCM; 1996-1999)

**Master Degree of Medicine** (SDUTCM; 1993-1996)

**Advanced English Certificate** (Shandong Normal University; 1991-1994)

**Bachelor Degree of Medicine** (SDUTCM; 1985-1990)

### CLINICAL EXPERIENCE

#### **Instructor and Acupuncturist**

American Academy of Acupuncture and Oriental Medicine (AAAOM)

(2009--now)

#### **Director of Acupuncture & Moxibustion ward, Associate Professor, and**

#### **Associate Chief Physician**

Acupuncture & Moxibustion Department, Affiliated Hospital of SDUTCM

(April, 2002--2008)

#### **Attending Physician & Associate Professor,**

Affiliated Hospital of SDUTCM (August, 2001-April, 2002)

#### **Resident of Traditional Chinese Medicine,**

Jinan Hospital of TCM (Second Affiliated Hospital of SDUTCM)

## LABORATORY EXPERIENCE

- Central Laboratory, School of Medical Science, SDUTCM (1999-2001)
- Nerve Pharmacology, Theory & Technique, Qing Dao Marine University , Shandong Province (1999)
- Old-Age Disease Research Department, Tianjin First Teaching Hospital (1998-1999)
- Microbiology Department, Life Science School, Nankai Univeristy, Tianjing (1997-1998)
- Molecular Biology, Theory & Technique, Hunan Medical University, Changsha, Hunan Province (1997)

**Laboratory Techniques Utilized:** Assay of Antioxidase, Animal Ethology, Antioxidase Experience (RNA Extract), Northern Blotting; etc.

## Scientific Projects

*The Effect of Bushenyizhi Formula on the Estrogen and its Receptor in Senescence Accelerated Mouse(SAM ).* Shandong Outstanding Young Scientists Foundation (2004-2006)

*The Observation of Cinical Effect on the Treatment of Hypertension by Electro-Acupuncture at Qu Chi(LI-11)*  
State Administrative Bureau of TCM (2003-2005)

*The Research of the Kidney Deficiency Mechanism of Alzheimer's Disease.*  
Huo Yingdong Education Foundation--National Ministry of Education (2003-2005)

*Preventive and Therapeutic Study with Tonifying Kidney Hebals in the Treatment Of Female Alzheimer's Disease Patients* Shandong Administrative Bureau of TCM

(2001-2003)

Preventive and Therapeutic Study with Bushenyizhi Formula in the Treatment of Alzheimer's Disease Post-doctoral Project (1999-2001)

Effect of Acupuncture on the Activity and Gene Expression of Antioxidase in tissue of Brain and Liver of Senescence Accelerated Mouse(SAM-P/10) Tianjin Science & Technology Bureau (1997-1999)

The Research on the Treatment of Leukopenia by Moxibustion at Different Time  
Project for Master's Degree (1994-1995)

## **AWARDS**

**Outstanding Post-doctor**, Shandong Provincial Government ( 2008)

**Outstanding Teacher**, SDUTCM ( 2008)

**Best Faculty Adviser**, Graduate Students, Shandong Provincial Community (2006)

**Best Teacher**, SDUTCM ( 2004)

**Outstanding Commissioner**, Chinese Acupuncture & Moxibustion Association  
Clinical Branch (2003)

**8th National University Teacher Award**, Institution of Higher Learning , Huo  
Yingdong Education Foundation National Ministry of Education ( 2002)

**Technology Progress Award**, Science & Technology Bureau in Tianjin (2000)

**Shandong Outstanding Youth Volunteer**, Institution of Higher Learning in  
Shandong Province (2000)

**Wang Kechang Scholarship**, Institution of Higher Learning, Tianjin (1998)

## **PROFESSIONAL MEMBERSHIPS**

- Chinese Association of Acupuncture & Moxibustion (1991-present)
- Deputy of Acupuncture Analgesia Committee, China Association of Acupuncture & Moxibustion (2001-2003)

- Chinese Association of Traditional Chinese Medicine (May,2002-present)
- Deputy of Acupuncture Bloodletting Investigation Committee, China Association of Acupuncture & Moxibustion (2003-present)
- Project Evaluation Expert of National Natural Science Foundation of China (nsfc) (2007-present)
- Expert of National Clinical Technique Qualification Examination Center, Accreditation of TCM practitioner by State Administration of TCM (2004-present)
- Trustee of Shandong Provincial Association of Acupuncture & Moxibustion (2004-present)
- Trustee of Shandong Provincial Association of Sub-Health Research (2006-present)
- Standing Member of China Association of Acupuncture & Moxibustion, Brain Science Committee (2007-present)
- Trustee of Technique of Acupuncture & Moxibustion Professional Committee ---Shandong Provincial Association of Acupuncture & Moxibustion (2008-present)

## **EDITORIAL BOARDS**

Invited Editor: Shanxi Traditional Chinese Medicine Research (2001-present)

Invited Writer: Chinese Archives of TCM (2002-present)

Invited Editor: Journal of Chinese Clinical Physicians (Electronic ed.; 2007-present)

## **PEER-REVIEWED PUBLICATIONS**

11. Liu Yifan, Shi Xuemin, Han Jingxian, et al. **Age-related effect on the antioxidation function in tissue of brain of SAM-P/10.** Chinese Journal of Gerontology.2003,Vol .23, No.7:462-463
12. Liu Yifan, Shi Xuemin, Han Jingxian, et al. **Age-related effect on the activity of antioxidase and expression of gene in tissue of brain of SAM-P/10.** Chin J Geriatr, 2003, Vol.22, No.7:421-423
13. Liu Yifan, Zhang Dan, Yang Yong, et al. **Effect of Acupuncture and Chinese Herbs on Ethology of Alzheimer's Disease Model Mouse.** Jiang Su Journal of TCM, 2002, Aug, Supplement.
14. Wu Fudong, Liu Yifan. **Thinking and Prospects for Higher Education of Acupuncture and Moxibustion in the New Century.** Chin J Acupuncture & Moxibustion, 2002, Vol.22, No8:563-565.
15. Liu Yifan, Shi Xuemin, Han Jingxian, et al. **Effect of Acupuncture on the Activity of Antioxidase in Brain Tissue of SAM-P/10 Mouse.** Chin J Acupuncture & Moxibustion, 2002, Vol.22, No5:327-328.
16. Liu Yifan, Shi Xuemin, Han Jingxian, et al. **Effect of Acupuncture on the**

**Activity of Antioxidase and Expression of Gene in Liver Tissue of SAM-P/10.** *J of Shandong University of TCM*, 2001, Vol.25, No.10:382-384

17. Liu Qingzhong, Liu Yifan, Zheng Haoyong, et al. **Effect of Acupuncture on the Activity of CAT and GSH-Px in brain Tissue of SAM-P/10.** *J of Clinical Acupuncture and Moxibustion*, 2001, Vol.17, No.4:51-53
18. Wu Jibiao, Liu Yifan, Liu Airu. **Blood-stasis Syndrome and Blood-stasis Syndrome animal Model.** *Scientific Chinese*, 1999, No5:37-39.
19. Liu Yifan. **The Research on the Treatment of Leukopenia by Moxibustion at Different Time.** *Journal of Shandong University of TCM*, 1997, Vol.21, No.4:270-273
20. Liu Yifan. **The Effect of Acupuncture by Lingguibafa in Treatment of Sick Headache: 33 Cases.** *Journal of Shandong College of TCM*, 1995, Vol.19, No.4:382-384
21. Liu Yifan. **Clinical Evaluation of Acupuncture in Treatment of Hypogalactia.** *Chinese Journal of Information on TCM*, 1995, Vol.2, No 6:9-11.
22. Han Yongjian, Liu Yifan. **The Study of Anatomy Background for Tempo - Acupuncture ( Zi Wu Liu Zhu).** *Journal of Shandong College of TCM*, 1994, Vol.18, No.6:409-411.

## REVIEWS

1. Liu Yifan, Zhang Zhenyu. **Evaluation and Prospects of Study on Treatment of Alzheimer's Disease from Kidney Deficiency.**

Shandong Journal of TCM, 2001, Vol.20, No.9:515-519

2. Liu Yifan, Shi Xuemin. **Advance of Clinical and Experimental Studies on Anti-Oxidation of Acupuncture and Moxibustion.** Chin J Acupuncture & Moxibustion, 1999, Vol.19, No2:124-127
3. Liu Yifan, Yang Dianhui. **The Progress of Study on the Treatment of Leukopenia by Acupuncture & Moxibustion.** Journal of Shandong College of TCM, 1996, Vol.20, No.2:137-140

### CONFERENCE PRESENTATIONS

1. Liu Yifan, Wang Rong. **Discuss of Acupuncture & Moxibustion Bilingual Teaching at Advanced Traditional Chinese Medicine Universities and Colleges in 21st Century.** The First International Conference on Chinese Medicine and Chinese Culture Translation: Aug, 2008, Shanghai, China
2. Liu Yifan. **Bianque Technique Thought and Development of the Traditional Chinese Medicine in 21st Century.** The First Jinan International BianQue Cultural and Technique Thought Seminar Dec, 2007, Jinan, China
3. Liu Yifan. **The Progress and Prospect of Senile Brain Disorders Treated by Acupuncture & Moxibustion.** The First Conference of China Acupuncture & Moxibustion Association-Brain Science Committee. Oct, 2007, Tianjin, China
4. Liu Yifan **Acupuncture Treatment of Senile Dementia Clinical Literature Review.** WFAS 2004 6TH World Conference on Acupuncture

Oct, 2004,Australia

5. Liu Yifan. **Clinical Observation on the Treatment of Obesity with Acupuncture Combined with Cupping Therapy.** WFAS 2004 6TH World Conference on Acupuncture Oct ,2004, Australia
6. Liu Yifan. **Advance of Superoxide Dismutase (SOD)'s Molecular Biology Research.** National Academic Congress of Keeping in Good Health and Rehabilitation Medicine Combined of TCM and Western Medicine. National August,2004,BeiHai, P.R.China.
7. Liu Yifan.**Evaluation and Prospects of Study on Senium Encephalopathy treated by Acupuncture.** National Academic Congress of Acupuncture & Moxibustion Clinic .August, 2004,GuiYang, P.R.China.
8. Liu Yifan .**Clinical Observation on Acupuncture Treatment for 35 cases of Nerve-Vascular Headache by LINGGUI BAFA.** International Symposium on Acupuncture in Oslo. 12,Sep 2003
9. Liu Yifan.**Effect of Acupuncture on the Activity of Antioxidase and Expression of Gene in Brain of SAM-P/10.** International Symposium on Acupuncture in Oslo.12,Sep. 2003
10. Liu Yifan,Zhang Dan,Yang Yong,et al. **Effect of Acupuncture and Chinese Herbs on Antioxidase of Alzheimer's Disease Model Mouse.** National Academic Congress of Acupuncture & Moxibustion Clinic. August,2002,KunMing, P.R.China.
11. Liu Yifan. **Study of Tracking Investigation for Acupuncture Graduates after 10 year graduation.** National Academic Congress of Acupuncture &

Moxibustion for Young Clinic Doctors, November, 2001, Zhu Hai, P.R.China.

12. Liu Yifan, Wang Xiuying. **The Tempo-effect of Moxibustion on Leukopenia mouse model.** The 5th International Academic Congress of Acupuncture and Moxibustion and TCM. May, 1998, Tianjin, P.R.China.
13. Liu Yifan, Wang Xiuying. **Clinical and Experimental Research on the Treatment of Leukopenia by Moxibustion at Different Time.** The Second International Academic Congress of Chronobiology , Oct, 1996, Shenyang, P.R.China.
14. Liu Yifan. **Study on the Treatment of Pain Syndrome by Moxibustion at Different Time.** National Academic Congress of Acupuncture & Moxibustion for Young Clinic Doctors. August, 1995, Qing Dao, P.R. China.

## BOOKS

1. TCM College refined Textbook, Acupuncture & Moxibustion techniques. Editor, Shanghai Science & Technology Publishing Press. Feb, 2009.
2. Traditional Chinese Medicine Prescriptions Treating Complicated Diseases---3rd Series. Chief-editor, Chinese medicine science and technology Press. January, 2009.
3. Chinese-English Bilingual Textbooks for International Students of Chinese TCM Institutions- Chinese Materia Medicine. Translator, People's Medical Publishing House. Beijing, September, 2007.
4. Bilingual (English-Chinese) Textbook for Foreign Students,

**Acupuncture & Moxibustion**, Editor and Translator, Chinese Higher Education Publishing Press. June, 2007.

5. TCM College new century Innovative Textbook, **Acupuncture & Moxibustion Prescription**, Editor, Chinese TCM Publishing Press. Jun, 2005.
6. National Technique Qualification Examination for Speciality of TCM- **Acupuncture & Moxibustion**, Editor, Shanghai Science & Technology Publishing Press .Apr, 2004.
7. Wang Xiuying, Zhang Xiaolian, Liu Yifan, etc **Acupuncture & Moxibustion Accident and Prevention**. Editor, Shandong Science & Technology Publishing Press. Nov, 1996.
