

## Clinic Welcome

The Student Clinic at our Roseville location is an inexpensive way to invest in your health. You will receive safe, effective and high quality treatment from competent 3rd and 4th year student interns, supervised by our faculty for \$32.00 per treatment session. In return, you will be assisting students in gaining valuable first-hand clinical experience.

Treatments may include acupuncture, herbal medicines, tuina massage, dietary suggestions and modifications and even Qigong. Faculty carefully advise and review all patient diagnosis, treatments and follow-up visits with interns to ensure highly efficacious and affordable treatment.

Business hours for the Student Clinic:

- Monday - Thursday: 8:30am - 9:00pm
- Fridays & Saturdays: 8:30am - 5:30pm

The Faculty Clinic (also at our Roseville location) provides acupuncture treatment from our expert faculty clinicians while 1st and 2nd year students have the chance to observe diagnosis and treatment.

Six full time faculty members, many with Ph.D. specialties in TCM gynecology, internal medicine, neurology, and dermatology, provide extremely high quality health care to the Twin Cities community at a reduced rate of \$56.00 per session. The AAAOM faculty team was the winner of the Best Faculty Award from TCM World magazine in 2000. Conditions commonly seen and effectively treated include: back pain, joint pain, migraine headache, shoulder pain , rotator cuff injuries, neck pain, arthritis, infertility , pre and post IVF treatment, hormonal imbalance, PMS, menopause, fatigue, skin disorders (such as psoriasis and eczema), sinusitis, allergies, asthma, anxiety, depression, digestive disorders, stroke recovery, multiple sclerosis, Parkinson's, and more.
